

Fitting instructions - Adaptaroll

Step 1

Cut Adaptaroll to the length of paper dust jacket

Step 2

Insert dust jacket between paper and film

Step 3

Turn over so that backing paper is facing you, fold bottom of backing paper up ensuring the bottom is level with paper dust cover.

Step 4

Expose adhesive strip, fold up and press onto backing paper to form the perfect sleeve.

Step 5

Insert the book between the film and backing paper or simply wrap around and secure with tape. Turn over and repeat.
