

## Demco® MiMi 2 Shelving

---

# MiMi 2

**Better choice, better price.**

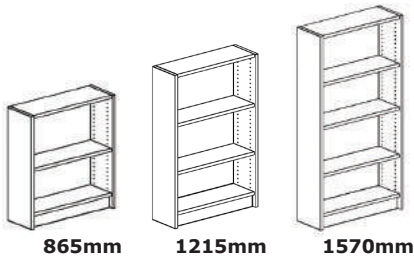

Our improved MiMi 2 Shelving is now available in a wide range of finishes and colours. In addition to our original maple finish MiMi 2 Shelving is available in five finishes and you can now choose your own end panel colours. Our Kinderboxes and Cube Kinder Seat are also now available in finishes and colours to perfectly complement the shelving units. Choose from bay-end square Kinderbox and seat, designed to be the right size to fit alongside double-sided shelving or the free-standing Kinderbox with circle top.

- Made from 25mm thick MFC with 2mm ABS edging on exposed edges
- Available in three heights to suit different age groups
- All units include a fixed bottom shelf with adjustable shelves
- Display shelf and additional flat shelves available separately

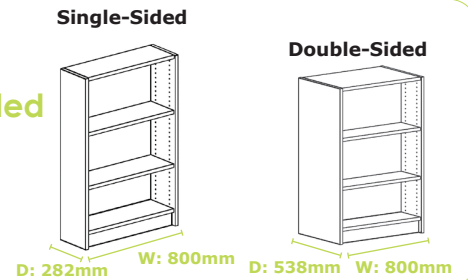

# Step One
